Bass/Baritone Night  
March 14, 2024**

Sponsored by New Harmony Dulcimers  
and Collins' Dulcimers

**7:30 pm Eastern**  
(6:30 Central, 5:30 Mtn, 4:30 Pacific)

Come learn about one of the most versatile dulcimers on the planet and, with some luck, win a brand-new Baritone/Bass dulcimer made by New Harmony Dulcimers!

This free, online event will feature a lot of information about what makes these instruments so special. The builders will be there to answer questions about woods, design features, and all the things that make it possible to use this instrument well as a bass, baritone, or standard dulcimer. Joe Collins will be there to add some insights about playing these instruments with or without a group. You will also get to hear them being played.

There will be a drawing for a brand-new Bass/Baritone during the event, but you must pre-register for the drawing before the event starts. Furthermore, you must be online with us when the drawing takes place.

In order to win, participants must pre-register AND be tuned in during the online event.
