

Driving Your Dulcimer Like You Mean It!

A Virtual Dulcimer Workshop by Joe Collins

DATE: February 16, 2021

TIME: 2 – 4 pm EST (1 – 3 pm Central; 12 – 2 pm Mountain; 11 am -1 pm Pacific)

Topic: Driving Your Dulcimer Like You Mean It!: a workshop on developing technique with your picking/strumming hand

Level: This is an intermediate level workshop. Participants should be comfortable with strumming in both directions, have a decent sense of timing, and be able to play several tunes without having to be totally dependent on tablature.

GOAL of the Workshop: The difference between good dulcimer players and great ones is usually found in what they do with the picking/strumming hand. The goal of this workshop is for you to develop skill and proficiency with that hand. We will try out patterns that you can begin incorporating into your playing immediately, but we will also work on exercises that you can continue doing long after the workshop is over.
