**Description:** All Celtic tunes are not “fast and furious.” This is a repertoire workshop that proves the point with songs like “Mo Ghile Mear,” “My Wild Irish Rose,” “The House Carpenter,” and others. These tunes are nice additions for anybody’s Celtic repertoire.

**Level:** This workshop is geared to include advanced novice to advanced players. Because of Joe’s unique way of doing tab with the melody in large, bold print, this music can be played on several different levels.

**GOAL of the Workshop:** Participants will play some slow Celtic tunes at a level that suits their skills. They will incorporate techniques use to play the arrangements well.

**FORMAT:** 2 hours of instruction with a short break in the middle. For those who want to stick around afterwards, there will be an informal time (about ½ hour or so) that might include asking questions, hanging out, talking about dulcimers, or a performance or two by Joe.

**PLATFORM:** Zoom

**Enrollment Capacity:** No more than 25 people; so complete registration as soon as possible.
