Workshop Description: If you are looking for a good piece of sacred dulcimer music to play in church or other gatherings, this workshop is for you. Whether you play solo, as a duet, or in an ensemble, this workshop will prepare you to perform this great hymn or just enjoy playing it in the privacy of your own home.

The workshop includes multiple dulcimer parts, sound files for learning and practicing, and an accompaniment track to play along with either in public or private settings. Furthermore, the accompaniment track comes in two different speeds – one for practice as you are learning and one for performance when you are more comfortable with it.

Level: Designed for novice players and above. Some parts are more difficult than others, but all players should find something for themselves in the workshop.

Format of the Workshop: approximately a 75-minute ZOOM session.

Enrollment Capacity: No more than 25 people; first registered w/ payment, first served.

Cost: \$15
