by Joe Collins

Date: Tuesday, January 21, 2025

TIME:

6:30 pm - Eastern

5:30 pm - Central

4:30 pm – Mountain

3:30 pm –Pacific

Topic: new repertoire workshop of tunes about winter – different tunes from Volume 1.

Level: This workshop is geared to include from advanced beginners to advanced players. Participants should know how to read tab. Because of Joe’s unique way of doing tab with the melody in large, bold print, this music can be played on a number of different levels.

GOAL of the Workshop: Participants will learn to play some winter tunes not associated with the holidays, including an original or two. Public domain tunes about winter that are non-holiday specific are a little scarce, but they are available here. This workshop is a great opportunity to add some of them to your repertoire. They are still timely after the holidays are over.

FORMAT: 75 minutes of instruction. For those who want to stick around afterwards, there will be an informal time (about ½ hour or so) that might include asking questions, hanging out, or a performance or two by Joe.

PLATFORM: Zoom
