Your chance to win \$1000 towards the purchase of a New Harmony dulcimer built to your specifications!

The folks at New Harmony Dulcimers are excited about hosting this online event to keep you informed of what is going on in our shop and how to get the most out of your dulcimer. We will give a short, refresher course on how to adjust the Accutune Bridge Compensation Module unique to our instruments. We will also talk about how to shop for or order a new dulcimer – what kinds of questions to ask, how to talk about what you are looking for, what woods are best suited to your needs, etc.

Anyone can tune in for the event. A ZOOM link is forthcoming on Joe's website: <http://www.jcdulcimer.com>. However, if you would like to be registered to win the \$1000 towards a New Harmony Dulcimer order, you must register ahead of time at
