Description: Some have the mistaken notion that creating harmonies is something only the very musically gifted can do, but that's not true. It is a skill that can be learned and honed by just about anyone who loves music and is willing to apply a few basic concepts. This workshop will give you those concepts and some tools to help you create harmony parts for dulcimers.

Level: Novice and above. One does not have to be a great player to write good harmony, but it is helpful to know a little about chords and the notes on your dulcimer.

Goal of the Workshop: Participants will play and then write a harmony part for one or more songs during the workshop.

Enrollment Capacity: No more than 20 people.

Cost: \$25
